On October 27, 2020, you were provided a link with published documents responsive to your request. EPA's response to your request was originally due on November 23, 2020; however, on November 20, 2020, you agreed via email to give EPA until December 16, 2020, to respond to your request. EPA will be providing the records responsive to your request through the FOIAonline system. An index of the records released by the Superfund & Emergency Management Division is enclosed with this letter.

You will receive a "Final Disposition" email from the Region 5 FOIA Office.
